

Assoc. Prof. Dr. Recep KARAMERT

Bio

Dr. Recep Karamert was born in Düzce in 1980. He graduated from Istanbul University Cerrahpaşa Medical Faculty in 2005 and started his specialty education as a resident doctor at Gazi ENT. He has completed clinical fellowship in Neurotology and Lateral Skull Base Microsurgery with Mario Sanna in Gruppo Otologico, Piacenza/ITALY. He has been working as an academic staff at Gazi ENT since 2013. He is a fellow of both national and European Board of Otorhinolaryngology, Head and Neck Surgery since 2013. He participated in several national and international congresses as an invited speaker and had many oral presentations in the field of Autology and Neurotology. He has published several studies in high impact international and national journals. He is especially interested in auditory implants. So far, he has implanted over 300 patients with a cochlear implant, middle ear implant, and bone anchored hearing aid. He has performed many cochlear implantations in Palestine and Kazakhstan as an invited surgeon. He has applied chronic otitis, cholesteatoma and otosclerosis surgeries to thousands of patients. He is a member of the neurotology team of Gazi ENT which is the most experienced institution in posterior fossa surgeries like acoustic neuroma excision and vestibular neurectomy in Turkey.

Department

Otorhinolaryngology
